*Les Misérables* is set in Paris after the French Revolution. In the sewers and backstreets we encounter 'the wolf-like tread of crime', and assassination for a few sous is all in a day's work. We weep with the unlucky and heartbroken Fantine, and we exult with the heroic revolutionaries of the barricades; but above all we thrill to the steadfast courage and nobility of the soul of ex-convict Jean Valjean, always in danger from the relentless pursuit of the diabolical Inspector Javert.

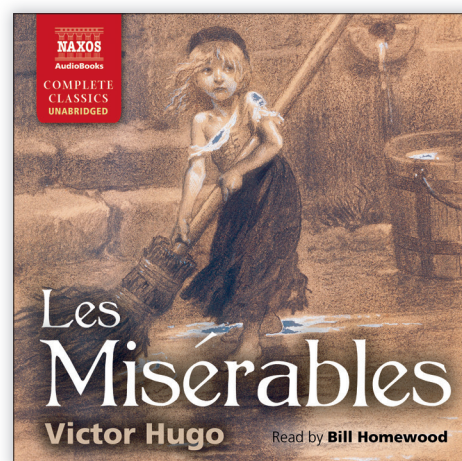

**Bill Homewood** is well known for his innumerable television performances and leading credits in the West End and for the RSC. His other recordings for Naxos AudioBooks include *She*, *Tom Jones*, *Allan Quatermain*, *The Red & the Black*, *The Three Musketeers*, *The Hunchback of Notre Dame* and the *Four Just Men* series.
